only apply to messages sent to two (2) or more members of that body so that, when counting the
sender, a majority of the body’s members are copied. Any such message received by the custodian
or at the member’s office computer shall be a public record subject to the exception of Section
610.021, RSMo. (RSMo. §610.025, 2004)

SECTION 120.040: NOTICES OF MEETINGS

A. All public governmental bodies shall give notice of the time, date and place of each meeting and its
tentative agenda in a manner reasonably calculated to advise the public of the matters to be
considered, and if the meeting will be conducted by telephone or other electronic means, the notice
of the meeting shall identify the mode by which the meeting will be conducted and the designated
location where the public may observe and attend the meeting. If a public body plans to meet by
Internet chat, Internet message board or other computer link, it shall post a notice of the meeting
on its website in addition to its principal office and shall notify the public how to access that
meeting. Reasonable notice shall include making available copies of the notice to any representative
of the news media who requests notice of meetings of a particular public governmental body
concurrent with the notice being made available to the members of the particular governmental body
and posting the notice on a bulletin board or other prominent place which is easily accessible to the
public and clearly designated for that purpose at the principal office of the body holding the meeting,
or if no such office exists, at the building in which the meeting is to be held.

B. Notice conforming with all of the requirements of Subsection (A) of this Section shall be given at
least twenty-four (24) hours, exclusive of weekends and holidays when City Hall is closed, prior to
the commencement of any meeting of a governmental body unless for good cause such notice is
impossible or impractical, in which case as much notice as is reasonably possible shall be given.

C. The City shall allow for the recording by audiotape, videotape or other electronic means of any open
meeting. The City may establish guidelines regarding the manner in which such recording is
conducted so as to minimize disruption to the meeting. No audio recording of any meeting, record
or vote closed pursuant to the provisions of Section 120.020 shall be permitted without permission
of the City; any person who violates this provision shall be guilty of an ordinance violation.

D. Each governmental body proposing to hold a closed meeting or vote shall give notice of the time,
date and place of such closed meeting or vote and the reason for holding it by reference to a specific
exception allowed pursuant to Section 120.020 hereof. The notice shall be the same as described
in Subsection (A) herein.

E. A formally constituted subunit of a parent governmental body may conduct a meeting without notice
during a lawful meeting of the parent governmental body, a recess in that meeting, or immediately
following that meeting if the meeting of the subunit is publicly announced at the parent meeting and
the subject of the meeting reasonably coincides with the subjects discussed or acted upon by the
parent governmental body. (RSMo. §§610.020.1—3, 5, 2004; 610.022.2)

SECTION 120.050: CLOSED MEETINGS—HOW HELD

A. Except as set forth in Subsection (D) of Section 120.040, no meeting or vote may be closed without
an affirmative public vote of the majority of a quorum of the public governmental body. The vote
of each member of the governmental body on the question of closing a public meeting or vote and
the specific reason for closing that public meeting or vote by reference to a specific Section of this
Chapter shall be announced publicly at an open meeting of the governmental body and entered into
the minutes.
B. Any meeting or vote closed pursuant to Section 120.020 shall be closed only to the extent necessary for the specific reason announced to justify the closed meeting or vote. Public governmental bodies shall not discuss any business in a closed meeting, record or vote which does not directly relate to the specific reason announced to justify the closed meeting or vote. Public governmental bodies holding a closed meeting shall close only an existing portion of the meeting facility necessary to house the members of the public governmental body in the closed session, allowing members of the public to remain to attend any subsequent open session held by the public governmental body following the closed session. (RSMo. §§610.022.1, 610.022.3, 2004)

SECTION 120.060: JOURNALS OF MEETINGS AND RECORDS OF VOTING

A. Except as provided in Section 120.020, rules authorized pursuant to Article III of the Missouri Constitution and as otherwise provided by law, all votes shall be recorded, and if a roll call is taken as to attribute each "yea" and "nay" vote, or abstinence if not voting, to the name of the individual member of the public governmental body. Any votes taken during a closed meeting shall be taken by roll call. All public meetings shall be open to the public and public votes and public records shall be open to the public for inspection and duplication. All votes taken by roll call in meetings of a public governmental body, consisting of members who are all elected, shall be cast by members of the public governmental body who are physically present and in attendance at the meeting. When it is necessary to take votes by roll call in a meeting of the public governmental body, due to an emergency of the public body, with a quorum of the members of the public body physically present and in attendance and less than a quorum of the members of the public governmental body participating via telephone, facsimile, Internet, or any other voice or electronic means, the nature of the emergency of the public body justifying that departure from the normal requirements shall be stated in the minutes. Where such emergency exists, the votes taken shall be regarded as if all members were physically present and in attendance at the meeting.

B. A journal or minutes of open and closed meetings shall be taken and retained by the public governmental body including, but not limited to, a record of any vote taken at such meeting. The minutes shall include the date, time, place, members present, members absent and a record of votes taken. When a roll call vote is taken, the minutes shall attribute each "yea" and "nay" vote, or abstinence if not voting, to the name of the individual member of the public governmental body. (RSMo. §§610.015, 2004; 610.020.7, 2004)

SECTION 120.070: ACCESSIBILITY OF MEETINGS

A. Each meeting shall be held at a place reasonably accessible to the public and of sufficient size to accommodate the anticipated attendance by members of the public and at a time reasonably convenient to the public unless for good cause such a place or time is impossible or impractical. Every reasonable effort shall be made to grant special access to the meeting to handicapped or disabled individuals.

B. When it is necessary to hold a meeting on less than twenty-four (24) hours’ notice, or at a place that is not reasonably accessible to the public, or at a time that is not reasonably convenient to the public, the nature of the good cause justifying that departure from the normal requirements shall be stated in the minutes. (RSMo. §§610.020.2, 2004; 610.020.4, 2004)

SECTION 120.080: SEGREGATION OF EXEMPT MATERIAL

If a public record contains material which is not exempt from disclosure, as well as material which is exempt from disclosure, the custodian shall separate the exempt and non-exempt material and
make the non-exempt material available for examination and copying in accord with the policies provided herein. When designing a public record the custodian shall, to the extent practicable, facilitate a separation of exempt from non-exempt information. If the separation is readily apparent to a person requesting to inspect or receive copies of the form, the custodian shall generally describe the material exempted unless that description would reveal the contents of the exempt information and thus defeat the purpose of the exemption. (RSMo. §610.024)

SECTION 120.090: CUSTODIAN DESIGNATED—RESPONSE TO REQUEST FOR ACCESS TO RECORDS

A. The City Clerk shall be the custodian of records and will be responsible for maintenance and control of all records. The custodian may designate deputy custodians in operating departments of the City and such other departments or offices as the custodian may determine. Deputy custodians shall conduct matters relating to public records and meetings in accord with the policies enumerated herein.

B. Each public governmental body shall make available for inspection and copying by the public of that body’s public records. No person shall remove original public records from the office of a public governmental body or its custodian without written permission of the designated custodian. No public governmental body shall, after August 28, 1998, grant to any person or entity, whether by contract, license or otherwise, the exclusive right to access and disseminate any public record unless the granting of such right is necessary to facilitate coordination with, or uniformity among, industry regulators having similar authority.

C. Each request for access to a public record shall be acted upon as soon as possible, but in no event later than the end of the third (3rd) business day following the date the request is received by the custodian of records of a public governmental body. If records are requested in a certain format, the public body shall provide the records in the requested format, if such format is available. If access to the public record is not granted immediately, the custodian shall give a detailed explanation of the cause for further delay and the place and earliest time and date that the record will be available for inspection. This period for document production may exceed three (3) days for reasonable cause.

D. If a request for access is denied, the custodian shall provide, upon request, a written statement of the grounds for such denial. Such statement shall cite the specific provision of law under which access is denied and shall be furnished to the requester no later than the end of the third (3rd) business day following the date that the request for the statement is received. (RSMo. §610.023, 2004)

SECTION 120.100: FEES FOR COPYING PUBLIC RECORDS—LIMITATIONS

A. Except as otherwise provided by law, each public governmental body shall provide access to and, upon request, furnish copies of public records subject to the following:

1. Fees for copying public records, except those records restricted under Section 32.091, RSMo., shall not exceed ten cents ($0.10) per page for a paper copy not larger than nine (9) by fourteen (14) inches, with the hourly fee for duplicating time not to exceed the average hourly rate of pay for clerical staff of the public governmental body. Research time required for fulfilling records requests may be charged at the actual cost of research time. Based on the scope of the request, the public governmental body shall produce the copies using employees of the body that result in the lowest amount of charges for search, research and duplication time. Prior to producing copies of the requested records, the person requesting the records may request the
public governmental body to provide an estimate of the cost to the person requesting the records. Documents may be furnished without charge or at a reduced charge when the public governmental body determines that waiver or reduction of the fee is in the public interest because it is likely to contribute significantly to public understanding of the operations or activities of the public governmental body and is not primarily in the commercial interest of the requester.

2. Fees for providing access to public records maintained on computer facilities, recording tapes or disks, videotapes or films, pictures, maps, slides, graphics, illustrations or similar audio or visual items or devices, and for paper copies larger than nine (9) by fourteen (14) inches shall include only the cost of copies, staff time, which shall not exceed the average hourly rate of pay for staff of the public governmental body required for making copies and programming, if necessary, and the cost of the disk, tape or other medium used for the duplication. Fees for maps, blueprints or plats that require special expertise to duplicate may include the actual rate of compensation for the trained personnel required to duplicate such maps, blueprints or plats. If programming is required beyond the customary and usual level to comply with a request for records or information, the fees for compliance may include the actual cost of such programming.

B. Payment of such copying fees may be requested prior to the making of copies.

(RSMo. §610.026, 2004)

SECTION 120.120: POLICE DEPARTMENT RECORDS

A. The Police Department of the City shall maintain records of all incidents reported to the Police Department and investigations and arrests made by the Police Department. All incident reports and arrest reports shall be open records. Notwithstanding any other provision of law other than the provisions of Subsection (C) of this Section or Section 320.083, RSMo., investigative reports of the Police Department are closed records until the investigation becomes inactive. If any person is arrested and not charged with an offense against the law within thirty (30) days of the person’s arrest, the arrest report shall thereafter be a closed record except that the disposition portion of the record may be accessed and except as provided in Section 120.140.

B. Except as provided in Subsections (C) and (D) of this Section, if any portion of a record or document of a Police Department Officer or the Police Department, other than an arrest report which would otherwise be open, contains information that is reasonably likely to pose a clear and present danger to the safety of any victim, witness, undercover officer or other person; or jeopardize a criminal investigation, including records which would disclose the identity of a source wishing to remain confidential or a suspect not in custody; or which would disclose techniques, procedures or guidelines for Police Department investigations or prosecutions, that portion of the record shall be closed and shall be redacted from any record made available pursuant to this Chapter.

C. Any person, a family member of such person within the first degree of consanguinity of such person if deceased or incompetent, attorney for a person or insurer of a person involved in any incident or whose property is involved in an incident may obtain any records closed pursuant to this Section or Section 120.140 for purposes of investigation of any civil claim or defense as provided by this Subsection. Within thirty (30) days of such request, the Police Department shall provide the requested material or file a motion pursuant to this Subsection with the Circuit Court having jurisdiction over the Police Department stating that the safety of the victim, witness or other individual cannot be reasonably ensured, or that a criminal investigation is likely to be jeopardized. Pursuant to Section 610.100(4), RSMo., if, based on such motion, the court finds for the Police Department, the court shall either order the record closed or order such portion of the record that should be closed to be redacted from any record made available pursuant to this Subsection.

D. Any person may apply pursuant to this Subsection to the Circuit Court having jurisdiction for an order requiring a Law Enforcement Agency to open incident reports and arrest reports being unlawfully closed pursuant to the Section. If the court finds by a preponderance of the evidence that the Law Enforcement Officer or agency has knowingly violated this Section, the officer or agency shall be subject to a civil penalty in an amount up to one thousand dollars ($1,000.00). If the court finds that there is a knowing violation of this Section, the court may order payment by such officer or agency of all costs and attorneys’ fees as provided by Section 610.027, RSMo. If the court finds by a preponderance of the evidence that the Law Enforcement Officer or agency has purposely violated this Section, the officer or agency shall be subject to a civil penalty in an amount up to five thousand dollars ($5,000.00) and the court shall order payment by such officer or agency of all costs
and attorney fees as provided in Section 610.027, RSMo. The court shall determine the amount of the penalty by taking into account the size of the jurisdiction, the seriousness of the offense, and whether the Law Enforcement Officer or agency has violated this Section previously.

E. The victim of an offense as provided in Chapter 566, RSMo., may request that his/her identity be kept confidential until a charge relating to such incident is filed. (RSMo. §610.100(2)(3)(4)(6)(7), 2004)

SECTION 120.130: EFFECT OF NOLLE PROS, DISMISSAL AND SUSPENDED IMPOSITION OF SENTENCE ON RECORDS

A. If the person arrested is charged but the case is subsequently nolle prossed, dismissed, or the accused is found not guilty, or imposition of sentence is suspended in the court in which the action is prosecuted, official records pertaining to the case shall thereafter be closed records when such case is finally terminated, except as provided in Subsection (B) of this Section and Section 120.140 and except that the court’s judgment or order or the final action taken by the prosecutor in such matters may be accessed. If the accused is found not guilty due to mental disease or defect pursuant to Section 552.030, RSMo., official records pertaining to the case shall thereafter be closed records upon such findings, except that the disposition may be accessed only by law enforcement agencies, child care agencies, facilities as defined in Section 198.006, RSMo., and in-home services provider agencies as defined in Section 660.250, RSMo., in the manner established by Section 120.140.

B. If the person arrested is charged with an offense found in Chapter 566, RSMo., Section 568.045, 568.050, 568.060, 568.065, 568.080, 568.090 or 568.175, RSMo., and an imposition of sentence is suspended in the court in which the action is prosecuted, the official records pertaining to the case shall be made available to the victim for the purpose of using the records in his/her own judicial proceeding or if the victim is a minor to the victim’s parents or guardian, upon request. (RSMo. §610.105, 2006)

SECTION 120.140: PUBLIC ACCESS OF CLOSED ARREST RECORDS

The closed records shall be available to: criminal justice agencies for the administration of criminal justice pursuant to Section 43.500, RSMo., criminal justice employment, screening persons with access to criminal justice facilities, procedures and sensitive information; to law enforcement agencies for issuance or renewal of a license, permit, certification, or registration of authority from such agency including, but not limited to, watchmen, security personnel, private investigators, and persons seeking permits to purchase or possess a firearm; those agencies authorized by Section 43.543, RSMo., to submit and when submitting fingerprints to the central repository; the Sentencing Advisory Commission created in Section 558.019, RSMo., for the purpose of studying sentencing practices in accordance with Section 43.507, RSMo.; to qualified entities for the purpose of screening providers defined in Section 43.540, RSMo.; the Department of Revenue for driver license administration; the Division of Workers’ Compensation for the purposes of determining eligibility for crime victims’ compensation pursuant to Sections 595.010 to 595.075, RSMo.; Department of Health and Senior Services for the purpose of licensing and regulating facilities and regulating in-home services provider agencies and Federal agencies for purposes of criminal justice administration, criminal justice employment, child, elderly or disabled care, and for such investigative purposes as authorized by law or presidential executive order.

B. These records shall be made available only for the purposes and to the entities listed in this Section. A criminal justice agency receiving a request for criminal history information under its control may
require positive identification, to include fingerprints of the subject of the record search, prior to releasing closed record information. Dissemination of closed and open records from the Missouri criminal records repository shall be in accordance with Section 43.509, RSMo. All records which are closed records shall be removed from the records of the Police Department and Municipal Court which are available to the public and shall be kept in separate records which are to be held confidential and, where possible, pages of the public record shall be retyped or rewritten omitting those portions of the record which deal with the defendant’s case. If retyping or rewriting is not feasible because of the permanent nature of the record books, such record entries shall be blacked out and recopied in a confidential book. (RSMo. §610.120, 2003)

Each day that a nuisance shall be maintained is a separate offense. (RSMo. §71.780)

C. **Authority To Abate Emergency Cases.** In cases where it reasonably appears that there is an immediate danger to the health, safety or welfare of the public due to the existence of a nuisance, the City shall have authority to immediately abate the nuisance in an appropriate manner.

D. **Abatement—Procedure Generally.** Whenever the Board of Aldermen receives notification that a nuisance may exist, it shall proceed as follows, except as may be otherwise provided herein:

1. **It shall investigate the same.** The Board may order any person who has caused or is maintaining the nuisance to appear before the Board at such time and place as the Board may direct to show cause, if any, why that person should not abate the nuisance. Every person required to appear before the Board shall have at least ten (10) days’ notice thereof.

2. Such notice shall be signed by the Health Officer or Chief of Police and shall be served upon that person by delivering a copy thereof to the person, or by leaving a copy at his/her residence with some member of the family or household over fifteen (15) years of age, or upon any corporation by delivering the copy thereof to the President or to any other officer at any business office of the corporation within the City. 3. If after hearing all the evidence the Board of Aldermen may determine that a nuisance exists, it may direct the Health Officer or Chief of Police or other City Official to order the person to

ALTERNATE SUBSECTION (C) TO REPLACE SUBSECTION (C) AND (D) ABOVE

C. Abatement Generally.

1. **Abatement of nuisance—abatement officer.** Whenever the Abatement Officer for the City shall ascertain or have knowledge that a nuisance exists on any premises in the City, he/she shall, by written notice, notify the persons occupying or having possession of said premises to abate or remove such nuisance within the time to be specified in such notice, not less than fifteen (15) days. Failure to abate such nuisance within the time specified within the notice or failure to pursue the removal or abatement of such nuisance without unnecessary delay, shall be deemed an ordinance violation.

2. **Notice.** The Abatement Officer shall determine all individuals, firms or corporations who, from the records in the Recorder of Deeds office, appear to be the titled owners of the aforesaid property and immediately cause a written notice to be served on each such individual, firm or corporation by one (1) of the following methods:
   a. The delivery of a true copy of the notice to the person(s) intended to be notified, or the leaving of a copy at his/her usual place of abode with some member of his family over the age of fifteen years.
   b. Mailing a copy to such person at such place or address by United States certified mail return receipt.
   c. If service of such written notice is unable to be perfected by any of the methods described above, the Abatement Officer shall direct the City Clerk to cause a copy of the aforesaid notice to be published in a newspaper of general circulation in the County where the City is located, once a week for two (2) consecutive weeks and shall further cause a copy of the aforesaid notice to be left with the individual, if any, in possession of such property on which it is alleged such public nuisance exists, or if there is no individual in possession thereof, the Abatement Officer shall cause a copy of the notice to be posted at such structure, location or premises. The Abatement Officer may also determine from the
Recorder of Deeds’ office who the lienholder of the property, if any, as documented therein, is and cause a written notice to be served on such lienholder by United States mail return receipt.

d. The aforesaid notice to the owners and lienholder, if any, of the property shall state clearly and concisely:

(1) The street address or legal description of the property;

(2) A description of the condition or conditions alleged to constitute a public nuisance.

3. **Summary abatement.** Whenever it becomes necessary to abate a nuisance immediately in order to secure the general health, welfare or safety of the City or any of its inhabitants, the City is authorized to abate such nuisance without notice and may use any suitable means or assistance for that purpose, whether by employees of the City or laborers especially employed for that purpose, or any other help or assistance necessary therefor.

4. **Municipal court may order abatement—cost of abatement by the City, how paid.** If, upon a trial for the failure to abate such nuisance within the time specified within the notice or failure to pursue the removal or abatement of such nuisance without unnecessary delay, the judge of the Municipal Court shall find that a violation exists and that the defendant has had proper notice as provided in this Section and that the defendant has failed to abate the nuisance, the judge of the Municipal Court shall, in addition to the penalty for violating this Section, make an order directing the Abatement Officer to abate such nuisance forthwith and immediately report the expenses thereof to the City Clerk or officer in charge of finance who shall cause the certified cost to be included in a special tax bill or added to the annual real estate tax bill, at the collecting official’s option, for the property and the certified cost shall be collected by the city collector or other official collecting taxes in the same manner and procedure for collecting real estate taxes. If the certified cost is not paid, the tax bill shall be considered delinquent, and the collection of the delinquent bill shall be governed by the laws governing delinquent and back taxes. The tax bill from the date of its issuance shall be deemed a personal debt against the owner and shall also be a lien on the property until paid.

5. **Right of entry.** Any person or contractor employed by or under contract with the City for the abatement of a nuisance and any agent or employee of such contractor shall have the right of entry for that purpose into and upon any premises and it shall be unlawful to interfere with any Police Officer, Abatement Officer or any officer, agent or employee of the City or with any representative of the City engaged in the abatement of any nuisance pursuant to an order of the Municipal Judge or any summary abatement as described above.

6. **Remand and hearing.** In case the Municipal Judge shall determine that abatement of any alleged nuisance is not immediately necessary for the protection of the health of the inhabitants of the City, he/she may instead of entering a finding remand the matter to the Board of Aldermen and the City shall hold a hearing before declaring the same to be a nuisance and ordering its abatement. At least Fifteen (15) days’ notice of such hearing shall be given to the owner or occupant of the premises upon which such alleged nuisance exists or to his/her agent or to the person causing or maintaining such alleged nuisance, which notice shall state the time and place of such hearing. All interested parties may appear at such hearing either in person or by attorney and present evidence concerning the matters at issue. If, upon such hearing, the Board of Aldermen finds that a nuisance exists, it shall order the owner, occupant or agent of such property, or the person causing or maintaining such nuisance, to abate the same and if the same be not abated within the time prescribed by the City Board of Aldermen in such order, the matter may again be presented for prosecution before the Municipal Court for determination.
7. Court suit authorized. Nothing in this Section shall be construed as abandoning or limiting the City's right to bring suit for all expenses attending the abatement of a nuisance, when performed by the City, in any court of competent jurisdiction in the name of the City against the person maintaining, keeping, creating or refusing to abate the nuisance so abated. (CC 1994 §215.010(B)(2); Ord. No. 297 §1, 11-9-62)

As used in this Chapter, the following terms shall have the meanings set out herein:

ABANDONED PROPERTY: Any unattended or unlicensed motor vehicle, trailer, all-terrain vehicle, outboard motor or vessel removed or subject to removal from public or private property as provided in this Chapter, whether or not operational. For any vehicle towed from the scene of an accident at the request of law enforcement and not retrieved by the vehicle's owner within five (5) days of the accident, the agency requesting the tow shall be required to write an abandoned property report or a criminal inquiry and inspection report.

PERSON: Any natural person, corporation or other legal entity.

RIGHT-OF-WAY: The entire width of land between the boundary lines of a public road or State highway, including any roadway.

ROADWAY: That portion of a public road or State highway ordinarily used for vehicular travel, exclusive of the berm or shoulder.

State Law Reference—For similar provisions, §304.001, RSMo.

SECTION 217.020: ABANDONING MOTOR VEHICLE—LAST OWNER OF RECORD DEEMED THE OWNER OF ABANDONED MOTOR VEHICLE, PROCEDURES—PENALTY—CIVIL LIABILITY

A. A person commits the offense of abandoning a motor vehicle, vessel or trailer if he/she abandons any motor vehicle, vessel or trailer on the right-of-way of any public road or State highway or on or in any of the waters in this State or on the banks of any stream or on any land or water owned, operated or leased by the State, any board, department, agency or commission thereof or any political subdivision thereof or on any land or water owned, operated or leased by the Federal Government or on any private real property owned by another without his/her consent.

B. For purposes of this Section, the last owner of record of a motor vehicle, vessel or trailer found abandoned and not shown to be transferred pursuant to Sections 301.196 and 301.197, RSMo., shall be deemed prima facie to have been the owner of such motor vehicle, vessel or trailer at the time it was abandoned and to have been the person who abandoned the motor vehicle, vessel or trailer or caused or procured its abandonment. The registered owner of the abandoned motor vehicle, vessel or trailer shall not be subject to the penalties provided by this Section if the motor vehicle, vessel or trailer was in the care, custody or control of another person at the time of the violation.
In such instance, the owner shall submit such evidence in an affidavit permitted by the court setting forth the name, address and other pertinent information of the person who leased, rented or otherwise had care, custody or control of the motor vehicle, vessel or trailer at the time of the alleged violation. The affidavit submitted pursuant to this Subsection shall be admissible in a court proceeding adjudicating the alleged violation and shall raise a rebuttable presumption that the person identified in the affidavit was in actual control of the motor vehicle, vessel or trailer. In such case, the court has the authority to terminate the prosecution of the summons issued to the owner and issue a summons to the person identified in the affidavit as the operator. If the motor vehicle, vessel or trailer is alleged to have been stolen, the owner of the motor vehicle, vessel or trailer shall submit proof that a police report was filed in a timely manner indicating that the vehicle or vessel was stolen at the time of the alleged violation.

C. Abandoning a motor vehicle, vessel or trailer is an ordinance violation.

D. Any person convicted pursuant to this Section shall be civilly liable for all reasonable towing, storage and administrative costs associated with the abandonment of the motor vehicle, vessel or trailer. Any reasonable towing, storage and administrative costs in excess of the value of the abandoned motor vehicle, vessel or trailer that exist at the time the motor vehicle or vessel is transferred pursuant to Section 304.156, RSMo., shall remain the liability of the person convicted pursuant to this Section so long as the towing company, as defined in Chapter 304, RSMo., provided the title owner and lienholders, as ascertained by the Department of Revenue records, a notice within the time frame and in the form as described in Subsection (1) of Section 304.156, RSMo. (RSMo. §577.080, 2008)

SECTION 217.030: OPEN STORAGE OF INOPERABLE VEHICLES OR PUBLIC SAFETY HAZARDS PROHIBITED

The open storage of inoperable or unlicensed vehicles or other vehicles deemed by the City to constitute a public safety hazard is prohibited. Nothing in this Section shall apply to a vehicle which is completely enclosed within a locked building or locked fenced area and not visible from adjacent public or private property, nor to any vehicle upon the property of a business licensed as salvage, swap, junk dealer, towing or storage facility so long as the business is operated in compliance with its business license and the property is in compliance with applicable zoning ordinances.

State Law Reference—For similar provisions, §304.159, RSMo.

The City shall perform such tow pursuant to the terms of Section 217.050. When a City agency other than the Police Department authorizes a tow under this Subsection, it shall report the tow to the Police Department within two (2) hours with a crime inquiry and inspection report.

B. Towing Authorized By City Police Department. If a person abandons property on any real property owned by another without the consent of the owner or person in possession of the real property, at the request of the person in possession of the real property, any City Police Officer may authorize a towing company to remove such abandoned property from the property in the following circumstances:

1. The abandoned property is left unattended for more than forty-eight (48) hours; or
2. In the judgment of a Police Officer, the abandoned property constitutes a safety hazard or unreasonably interferes with the use of the real property by the person in possession.

C. *Towing Authorized By Real Property Owner, Lessee Or Property Or Security Manager.*

1. The owner of real property or lessee in lawful possession of the real property or the property or security manager of the real property may authorize a towing company to remove abandoned property or property parked in a restricted or assigned area without authorization by a Law Enforcement Officer only when the owner, lessee or property or security manager of the real property is present. A property or security manager must be a full-time employee of a business entity. An authorization to tow pursuant to this Subsection may be made only under any of the following circumstances:

   a. **Sign.** There is displayed, in plain view at all entrances to the property, a sign not less than seventeen (17) by twenty-two (22) inches in size, with lettering not less than one (1) inch in height, prohibiting public parking and indicating that unauthorized abandoned property or property parked in a restricted or assigned area will be removed at the owner’s expense, disclosing the maximum fee for all charges related to towing and storage, and containing the telephone number of the local traffic law enforcement agency where information can be obtained or a twenty-four (24) hour staffed emergency information telephone number by which the owner of the abandoned property or property parked in a restricted or assigned area may call to receive information regarding the location of such owner’s property.

   b. **Unattended on owner-occupied residential property.** The abandoned property is left unattended on owner-occupied residential property with four (4) residential units or less and the owner, lessee or agent of the real property in lawful possession has notified the City Police Department, and ten (10) hours have elapsed since that notification.

   c. **Unattended on other private real property.** The abandoned property is left unattended on private real property and the owner, lessee or agent of the real property in lawful possession of real property has notified the City Police Department, and ninety-six (96) hours have elapsed since that notification.

2. Pursuant to this Section, any owner or lessee in lawful possession of real property that requests a towing company to tow abandoned property without authorization from a City Police Officer shall at that time complete an abandoned property report which shall be considered a legal declaration subject to criminal penalty pursuant to Section 575.060, RSMo. The report shall be in the form designed, printed and distributed by the Missouri Director of Revenue and shall contain the following:

   a. The year, model, make and abandoned property identification number of the property and the owner and any lienholders, if known;

   b. A description of any damage to the abandoned property noted by owner, lessee or property or security manager in possession of the real property;

   c. The license plate or registration number and the State of issuance, if available;

   d. The physical location of the property and the reason for requesting the property to be towed;

   e. The date the report is completed;
f. The printed name, address and telephone number of the owner, lessee or property or security manager in possession of the real property;

g. The towing company’s name and address;

h. The signature of the towing operator;

i. The signature of the owner, lessee or property or security manager attesting to the facts that the property has been abandoned for the time required by this Section and that all statements on the report are true and correct to the best of the person’s knowledge and belief and that the person is subject to the penalties for making false statements;

j. Space for the name of the law enforcement agency notified of the towing of the abandoned property and for the signature of the Law Enforcement Official receiving the report; and

k. Any additional information the Missouri Director of Revenue deems appropriate.

3. Any towing company which tows abandoned property without authorization from the City Police Department pursuant to Subsection (B) of this Section shall deliver a copy of the abandoned property report to the City Police Department. The copy may be produced and sent by facsimile machine or other device which produces a near exact likeness of the print and signatures required, but only if the City Police Department has the technological capability of receiving such copy and has registered the towing company for such purpose. The report shall be delivered within two (2) hours if the tow was made from a signed location pursuant to Subsection (C)(1)(a) of this Section, otherwise the report shall be delivered within twenty-four (24) hours.

4. The City Police Department, after receiving such abandoned property report, shall record the date on which the abandoned property report is filed with the Police Department and shall promptly make an inquiry into the National Crime Information Center (NCIC) and any statewide Missouri law enforcement computer system to determine if the abandoned property has been reported as stolen. The Police Department shall enter the information pertaining to the towed property into the statewide law enforcement computer system and a Police Officer shall sign the abandoned property report and provide the towing company with a signed copy.

5. Whenever a particular Section does not state that official traffic control devices are required, such Section shall be effective even though no devices are erected or in place. (RSMo. §300.145)

SECTION 315.050: OFFICIAL TRAFFIC CONTROL DEVICES—PRESUMPTION OF LEGALITY

A. Whenever official traffic control devices are placed in position approximately conforming to the requirements of this Title, such devices shall be presumed to have been so placed by the official act or direction of lawful authority, unless the contrary shall be established by competent evidence.

B. Any official traffic control device placed pursuant to the provisions of this Title and purporting to conform to the lawful requirements pertaining to such devices shall be presumed to comply with the requirements of this Title, unless the contrary shall be established by competent evidence. (RSMo. §300.150)
§ 315.060 Flordell Hills City Code § 315.060

SECTION 315.060: TRAFFIC CONTROL SIGNAL LEGEND—RIGHT TURN ON RED LIGHT—WHEN

Whenever traffic is controlled by traffic control signals exhibiting different colored lights or colored lighted arrows, successively one (1) at a time or in combination, only the colors green, red and yellow shall be used except for special pedestrian signals carrying a word legend, and said lights shall indicate and apply to drivers of vehicles and pedestrians as follows:

1. **Green indication.**
   a. Vehicular traffic facing a circular green signal may proceed straight through or turn right or left unless a sign at such place prohibits either such turn. But vehicular traffic, including vehicles turning right or left, shall yield the right-of-way to other vehicles and to pedestrians lawfully within the intersection or an adjacent crosswalk at the time such signal is exhibited.
   b. Vehicular traffic facing a green arrow signal, shown alone or in combination with another indication, may cautiously enter the intersection only to make the movement indicated by such arrow or such other movement as is permitted by other indications shown at the same time. Such vehicular traffic shall yield the right-of-way to pedestrians lawfully within an adjacent crosswalk and to other traffic lawfully using the intersection.
   c. Unless otherwise directed by a pedestrian control signal as provided in Section 315.070, pedestrians facing any green signal, except when the sole green signal is a turn arrow, may proceed across the roadway within any marked or unmarked crosswalk.

2. **Steady yellow indication.**
   a. Vehicular traffic facing a steady yellow signal is thereby warned that the related green movement is being terminated or that a red indication will be exhibited immediately thereafter when vehicular traffic shall not enter the intersection.
   b. Pedestrians facing a steady yellow signal, unless otherwise directed by a pedestrian control signal as provided in Section 315.070, are thereby advised that there is insufficient time to cross the roadway before a red indication is shown and no pedestrian shall then start to cross the roadway.

3. **Steady red indication.**
   a. Vehicular traffic facing a steady red signal alone shall stop before entering the crosswalk on the near side of the intersection or, if none, then before entering the intersection and shall remain standing until a green indication is shown except as provided in paragraph (b) of this Subsection.
   b. The driver of a vehicle which is stopped as close as practicable at the entrance to the crosswalk on the near side of the intersection or, if none, then at the entrance to the intersection in obedience to a red signal may cautiously enter the intersection to make a right turn but shall yield the right-of-way to pedestrians and other traffic proceeding as directed by the signal at the intersection, except that the State Highways and Transportation Commission with reference to an intersection involving a State highway, and local authorities with reference to an intersection involving other highways under their jurisdiction, may prohibit any such right turn against a red signal at any intersection where
§ 315.060  Traffic Control Devices  § 315.090

safety conditions so require, said prohibition shall be effective when a sign is erected at such intersection giving notice thereof.

c. Unless otherwise directed by a pedestrian control signal as provided in Section 315.070, pedestrians facing a steady red signal alone shall not enter the roadway.

4. In the event an official traffic control signal is erected and maintained at a place other than an intersection, the provisions of this Section shall be applicable except as to those provisions which by their nature can have no application. Any stop required shall be made at a sign or marking on the pavement indicating where the stop shall be made, but in the absence of any such sign or marking, the stop shall be made at the signal. (RSMo. §300.155)

SECTION 315.070: PEDESTRIAN CONTROL SIGNALS

Whenever special pedestrian control signals exhibiting the words "Walk" or "Don't Walk" or appropriate symbols are in place, such signals shall indicate as follows:

1. "WALK": Pedestrians facing such signal may proceed across the roadway in the direction of the signal and shall be given the right-of-way by the drivers of all vehicles.

2. "WAIT" or "DON'T WALK": No pedestrian shall start to cross the roadway in the direction of such signal, but any pedestrian who has partially completed his/her crossing on the walk signal shall proceed to a sidewalk or safety zone while the wait signal is showing. (RSMo. §300.160)

SECTION 315.080: FLASHING SIGNALS

A. Whenever an illuminated flashing red or yellow signal is used in a traffic sign or signal, it shall require obedience by vehicular traffic as follows:

1. Flashing red (stop signal). When a red lens is illuminated with rapid intermittent flashes, drivers of vehicles shall stop before entering the nearest crosswalk at an intersection or at a limit line when marked or, if none, then before entering the intersection, and the right to proceed shall be subject to the rules applicable after making a stop at a stop sign.

2. Flashing yellow (caution signal). When a yellow lens is illuminated with rapid intermittent flashes, drivers of vehicles may proceed through the intersection or past such signal only with caution.

B. This Section shall not apply at railroad grade crossings. Conduct of drivers of vehicles approaching railroad grade crossings shall be governed by the rules as set forth in Section 335.090 of this Title. (RSMo. §300.165)

SECTION 315.090: LANE DIRECTION CONTROL SIGNALS

When lane direction control signals are placed over the individual lanes of a street or highway, vehicular traffic may travel in any lane over which a green signal is shown but shall not enter or travel in any lane over which a red signal is shown. (RSMo. §300.170)
SECTION 315.100: DISPLAY OF UNAUTHORIZED SIGNS, SIGNALS OR MARKINGS

No person shall place, maintain or display upon or in view of any highway an unauthorized sign, signal, marking or device which purports to be or is an imitation of or resembles an official traffic control device or railroad sign or signal, or which attempts to direct the movement of traffic, or which hides from view or interferes with the effectiveness of any official traffic control device or any railroad sign or signal. (RSMo. §300.175)

SECTION 315.110: INTERFERENCE WITH OFFICIAL TRAFFIC CONTROL DEVICES OR RAILROAD SIGNS OR SIGNALS

No person shall without lawful authority attempt to or in fact alter, deface, injure, knock down or remove any official traffic control device or any railroad sign or signal or any inscription, shield or insignia thereon or any other part thereof. (RSMo. §300.180)

SECTION 315.120: AUTHORITY TO ESTABLISH PLAY STREETS

The City Traffic Engineer shall have authority to declare any street or part thereof a play street and to place appropriate signs or devices in the roadway indicating and helping to protect the same. (RSMo. §300.185)

SECTION 315.130: PLAY STREETS

Whenever authorized signs are erected indicating any street or part thereof as a play street, no person shall drive a vehicle upon any such street or portion thereof except drivers of vehicles having business or whose residences are within such closed area, and then any said driver shall exercise the greatest care in driving upon any such street or portion thereof. (RSMo. §300.190)

SECTION 315.140: CITY TRAFFIC ENGINEER TO DESIGNATE CROSSWALKS AND ESTABLISH SAFETY ZONES

The City Traffic Engineer is hereby authorized:

1. To designate and maintain, by appropriate devices, marks or lines upon the surface of the roadway, crosswalks at intersections where in his/her opinion there is particular danger to pedestrians crossing the roadway and at such other places as he/she may deem necessary.

2. To establish safety zones of such kind and character and at such places as he/she may deem necessary for the protection of pedestrians. (RSMo. §300.195)

SECTION 315.150: TRAFFIC LANES

A. The City Traffic Engineer is hereby authorized to mark traffic lanes upon the roadway of any street or highway where a regular alignment of traffic is necessary.

B. Where such traffic lanes have been marked, it shall be unlawful for the operator of any vehicle to fail or refuse to keep such vehicle within the boundaries of any such lane except when lawfully passing another vehicle or preparatory to making a lawful turning movement. (RSMo. §300.200)
CHAPTER 320: SPEED REGULATIONS

SECTION 320.010: STATE SPEED LAWS APPLICABLE

The State traffic laws regulating the speed of vehicles shall be applicable upon all streets within the City, except that the City may by ordinance declare and determine upon the basis of engineering and traffic investigation that certain speed regulations shall be applicable upon specified streets or in certain areas, in which event it shall be unlawful for any person to drive a vehicle at a speed in excess of any speed so declared when signs are in place giving notice thereof. (RSMo. §300.205)

SECTION 320.020: REGULATION OF SPEED BY TRAFFIC SIGNALS

The City Traffic Engineer is authorized to regulate the timing of traffic signals so as to permit the movement of traffic in an orderly and safe manner at speeds slightly at variance from the speeds otherwise applicable within the district or at intersections and shall erect appropriate signs giving notice thereof. (RSMo. §300.210)

SECTION 320.030: GENERAL SPEED LIMIT

Except where otherwise provided by signs erected pursuant to duly passed and approved ordinances, no person shall operate a vehicle on any street in the City in excess of thirty (30) miles per hour. (CC 1994 Sch. I)

SECTION 320.040: SLOW SPEED—REGULATIONS

No person shall drive a motor vehicle at such a slow speed as to impede or block the normal and reasonable movement of traffic, except when reduced speed is necessary for safe operation or in compliance with law. Peace Officers may enforce the provisions of this Section by directions to drivers, and in the event of apparent willful disobedience to this provision and refusal to comply with direction of an officer in accordance herewith, the continued slow operation by a driver is an ordinance violation. (RSMo. §304.011)

SECTION 320.050: SPECIAL SPEED LIMITS ON ROADWAYS

No person shall operate a motor vehicle upon those portions of the roadways which are set forth and described in Schedule I at a rate of speed in excess of that speed limit set for such portions of the roadways by said Schedule.
CHAPTER 325: TURNING MOVEMENTS

SECTION 325.010: REQUIRED POSITION AND METHOD OF TURNING AT INTERSECTION

The driver of a vehicle intending to turn at an intersection shall do so as follows:

1. **Right turns.** Both the approach for a right turn and a right turn shall be made as close as practicable to the right-hand curb or edge of the roadway, except where multiple turn lanes have been established.

2. **Left turns on two-way roadways.** At any intersection where traffic is permitted to move in both directions on each roadway entering the intersection, an approach for a left turn shall be made in that portion of the right-half of the roadway nearest the centerline thereof and by passing to the right of such centerline where it enters the intersection and after entering the intersection the left turn shall be made so as to leave the intersection to the right of the centerline of the roadway being entered. Whenever practicable, the left turn shall be made in that portion of the intersection to the left of the center of the intersection.

3. **Left turns on other than two-way roadways.** At any intersection where traffic is restricted to one (1) direction on one (1) or more of the roadways, the driver of a vehicle intending to turn left at any such intersection shall approach the intersection in the extreme left-hand lane lawfully available to traffic moving in the direction of travel of such vehicle and after entering the intersection the left turn shall be made so as to leave the intersection, as nearly as practicable, in the left-hand lane lawfully available to traffic moving in such direction upon the roadway being entered, except where multiple turn lanes have been established.

4. **Designated two-way left turn lanes.** Where a special lane for making left turns by drivers proceeding in opposite directions have been indicated by official traffic control devices:
   a. A left turn shall not be made from any other lane;
   b. A vehicle shall not be driven in the lane except when preparing for or making a left turn from or into the roadway or when preparing for or making a U-turn when otherwise permitted by law; and
   c. A vehicle shall not be driven in the lane for a distance more than five hundred (500) feet. (RSMo. §300.215)

SECTION 325.020: AUTHORITY TO PLACE AND OBEDIENCE TO TURNING MARKERS

A. The City Traffic Engineer is authorized to place markers, buttons or signs within or adjacent to intersections indicating the course to be traveled by vehicles turning at such intersections, and such course to be traveled as so indicated may conform to or be other than as prescribed by law or ordinance.

B. When authorized markers, buttons or other indications are placed within an intersection indicating the course to be traveled by vehicles turning thereat, no driver of a vehicle shall disobey the directions of such indications. (RSMo. §300.220)
SECTION 325.030: AUTHORITY TO PLACE RESTRICTED TURN SIGNS

The City Traffic Engineer is hereby authorized to determine those intersections at which drivers of vehicles shall not make a right, left or U-turn and shall place proper signs at such intersections. The making of such turns may be prohibited between certain hours of any day and permitted at other hours, in which event the same shall be plainly indicated on the signs or they may be removed when such turns are permitted. (RSMo. §300.225)

SECTION 325.040: OBEDIENCE TO NO-TURN SIGNS

Whenever authorized signs are erected indicating that no right or left or U-turn is permitted, no driver of a vehicle shall disobey the directions of any such sign. (RSMo. §300.230)

SECTION 325.050: LIMITATIONS ON TURNING AROUND

The driver of any vehicle shall not turn such vehicle so as to proceed in the opposite direction upon any street in a business district and shall not upon any other street so turn a vehicle unless such movement can be made in safety and without interfering with other traffic. (RSMo. §300.235)
CHAPTER 330: ONE-WAY STREETS AND ALLEYS

SECTION 330.010: AUTHORITY TO DESIGNATE ONE-WAY STREETS AND ALLEYS

A. For purposes of traffic safety and the control of traffic flow, the City shall have authority, by ordinance, to designate all or parts of certain streets and alleys as one-way.

B. Whenever any ordinance of the City designates any street or alley as one-way, either in part or whole, the City shall be responsible to purchase, place and maintain signage adequate to notify the public of the prohibited and/or lawful direction of traffic flow at each affected intersection and may provide additional signage between intersections of right-of-way adequate to notify the public of the prohibited and/or lawful direction of traffic flow. Such one-way designation shall not become effective until all required signage is in place. (CC 1994 §330.010; Ord. No. 700-1 §1, 4-26-10)

SECTION 330.020: ONE-WAY STREETS AND ALLEYS

Upon those streets and parts of streets and in those alleys described and designated by ordinance, vehicular traffic shall move only in the indicated direction when signs indicating the direction of traffic are erected and maintained at every intersection where movement in the opposite direction is prohibited. (RSMo. §300.245)

SECTION 330.030: AUTHORITY TO RESTRICT DIRECTION OF MOVEMENT ON STREETS DURING CERTAIN PERIODS

A. The City Traffic Engineer is hereby authorized to determine and designate streets, parts of streets or specific lanes thereon upon which vehicular traffic shall proceed in one (1) direction during one (1) period and the opposite direction during another period of the day and shall place and maintain appropriate markings, signs, barriers or other devices to give notice thereof. The City Traffic Engineer may erect signs temporarily designating lanes to be used by traffic moving in a particular direction, regardless of the centerline of the roadway.

B. It shall be unlawful for any person to operate any vehicle in violation of such markings, signs, barriers or other devices so placed in accordance with this Section. (RSMo. §300.250)
CHAPTER 335: STOP AND YIELD INTERSECTIONS, RAILROAD CROSSINGS

SECTION 335.010: THROUGH STREETS DESIGNATED

Those streets and parts of streets described by ordinances of the City are declared to be through streets for the purposes of Sections 335.010 to 335.090. (RSMo. §300.255)

SECTION 335.020: SIGNS REQUIRED AT THROUGH STREETS

Whenever any ordinance of the City designates and describes a through street, it shall be the duty of the City Traffic Engineer to place and maintain a stop sign, or on the basis of an engineering and traffic investigation at any intersection a yield sign, on each and every street intersecting such through street unless traffic at any such intersection is controlled at all times by traffic control signals; provided however, that at the intersection of two (2) such through streets or at the intersection of a through street and a heavy traffic street not so designated, stop signs shall be erected at the approaches of either of said streets as may be determined by the City Traffic Engineer upon the basis of an engineering and traffic study. (RSMo. §300.260)

SECTION 335.030: OTHER INTERSECTIONS WHERE STOP OR YIELD REQUIRED

The City Traffic Engineer is hereby authorized to determine and designate intersections where particular hazard exists upon other than through streets and to determine whether vehicles shall stop at one (1) or more entrances to any such intersection in which event he/she shall cause to be erected a stop sign at every such place where a stop is required, or whether vehicles shall yield the right-of-way to vehicles on a different street at such intersection as prescribed in Subsection (A) of Section 335.040 in which event he/she shall cause to be erected a yield sign at every place where obedience thereto is required. (RSMo. §300.265)

SECTION 335.040: STOP AND YIELD SIGNS

A. The driver of a vehicle approaching a yield sign if required for safety to stop shall stop before entering the crosswalk on the near side of the intersection or, in the event there is no crosswalk, at a clearly marked stop line, but if none, then at the point nearest the intersecting roadway where the driver has a view of approaching traffic on the intersecting roadway.

B. Except when directed to proceed by a Police Officer or traffic control signal, every driver of a vehicle approaching a stop intersection indicated by a stop sign shall stop before entering the crosswalk on the near side of the intersection or, in the event there is no crosswalk, shall stop at a clearly marked stop line, but if none, then at the point nearest the intersecting roadway where the driver has a view of approaching traffic on the intersecting roadway before entering the intersection. (RSMo. §300.270)

SECTION 335.050: VEHICLE ENTERING STOP INTERSECTION

Except when directed to proceed by a Police Officer or traffic control signal, every driver of a vehicle approaching a stop intersection indicated by a stop sign shall stop as required by Subsection (B) of Section 335.040 and after having stopped shall yield the right-of-way to any vehicle which
has entered the intersection from another highway or which is approaching so closely on said highway as to constitute an immediate hazard during the time when such driver is moving across or within the intersection. (RSMo. §300.275)

SECTION 335.060: VEHICLE ENTERING YIELD INTERSECTION

The driver of a vehicle approaching a yield sign shall in obedience to such sign slow down to a speed reasonable for the existing conditions and shall yield the right-of-way to any vehicle in the intersection or approaching on another highway so closely as to constitute an immediate hazard during the time such driver is moving across or within the intersection; provided however, that if such a driver is involved in a collision with a vehicle in the intersection, after driving past a yield sign without stopping, such collision shall be deemed prima facie evidence of his/her failure to yield right-of-way. (RSMo. §300.280)

SECTION 335.070: EMERGING FROM ALLEY, DRIVEWAY OR BUILDING

The driver of a vehicle within a business or residence district emerging from an alley, driveway or building shall stop such vehicle immediately prior to driving onto a sidewalk or onto the sidewalk area extending across any alleyway or driveway and shall yield the right-of-way to any pedestrian as may be necessary to avoid collision and upon entering the roadway shall yield the right-of-way to all vehicles approaching on said roadway. (RSMo. §300.285)

SECTION 335.080: STOP WHEN TRAFFIC OBSTRUCTED

No driver shall enter an intersection or a marked crosswalk unless there is sufficient space on the other side of the intersection or crosswalk to accommodate the vehicle he/she is operating without obstructing the passage of other vehicles or pedestrians, notwithstanding any traffic control signal indication to proceed. (RSMo. §300.290)

SECTION 335.090: OBEDIENCE TO SIGNAL INDICATING APPROACH OF TRAIN

A. Whenever any person driving a vehicle approaches a railroad grade crossing under any of the circumstances stated in this Section, the driver of such vehicle shall stop within fifty (50) feet but not less than fifteen (15) feet from the nearest rail of such railroad and shall not proceed until he/she can do so safely. The foregoing requirements shall apply when:

1. A clearly visible electric or mechanical signal device gives warning of the immediate approach of a railroad train;

2. A crossing gate is lowered or when a human flagman gives or continues to give a signal of the approach or passage of a railroad train; or

3. An approaching railroad train is plainly visible and is in hazardous proximity to such crossing.

B. No person shall drive any vehicle through, around or under any crossing gate or barrier at a railroad crossing while such gate or barrier is closed or is being opened or closed.
§ 335.090  Stop And Yield Intersections, Railroad Crossings  § 335.100

C. No person shall drive a vehicle through a railroad crossing when there is not sufficient space to drive completely through the crossing.

D. No person shall drive a vehicle through a railroad crossing unless such vehicle has sufficient undercarriage clearance necessary to prevent the undercarriage of the vehicle from contacting the railroad crossing.

E. Every commercial motor vehicle as defined in Section 302.700, RSMo., shall, upon approaching a railroad grade crossing, be driven at a rate of speed which will permit said commercial motor vehicle to be stopped before reaching the nearest rail of such crossing and shall not be driven upon or over such crossing until due caution has been taken to ascertain that the course is clear. This Section does not apply to vehicles which are required to stop at railroad crossings pursuant to Section 304.030, RSMo. (RSMo. §§300.295, 304.035, 2004)

SECTION 335.100:  SHORT CUTTING TRAFFIC PROHIBITED

No driver shall operate a motor vehicle on any private lot, road, driveway, parking lot or any area which is not a public right-of-way for the purpose of avoiding travel upon the right-of-way at an intersection involving one (1) or more rights-of-way. (Ord. No. 539 §335.100, 9-15-03)
CHAPTER 340: MISCELLANEOUS DRIVING RULES

SECTION 340.010: FOLLOWING EMERGENCY VEHICLE PROHIBITED

2. Notwithstanding any traffic control device or right-of-way provision prescribed by State or local law, when the funeral lead vehicle in an organized funeral procession lawfully enters an intersection, all vehicles in the procession shall follow the lead vehicle through the intersection. The operator of each vehicle in the procession shall exercise the highest degree of care toward any other vehicle or pedestrian on the roadway.

3. An organized funeral procession shall have the right-of-way at all intersections regardless of any traffic control device at such intersections, except that operators of vehicles in an organized funeral procession shall yield the right-of-way to any approaching emergency vehicle pursuant to the provisions of law or when directed to do so by a Law Enforcement Officer.
4. All vehicles in an organized funeral procession shall follow the preceding vehicle in the procession as closely as is practical and safe under the conditions.

5. No person shall operate any vehicle as part of an organized funeral procession without the flashing emergency lights of such vehicle being lighted.

6. Any person who is not an operator of a vehicle in an organized funeral procession shall not:
   a. Drive between the vehicles comprising an organized funeral procession while such vehicles are in motion and have the flashing emergency lights lighted pursuant to Subsection (B)(5) above, except when required to do so by a Law Enforcement Officer or when such person is operating an emergency vehicle giving an audible or visual signal;
   b. Join a funeral procession for the purpose of securing the right-of-way; or
   c. Attempt to pass any vehicle in an organized funeral procession, except where a passing lane has been specifically provided.

A designated bicycle lane shall not be obstructed by a parked or standing motor vehicle or other stationary object. A motor vehicle may be driven in a designated bicycle lane only for the purpose of a lawful maneuver to cross the lane or to provide for safe travel. In making an otherwise lawful maneuver that requires traveling in or crossing a designated bicycle lane, the
driver of a motor vehicle shall yield to any bicycle in the lane. As used in this Section, the term "designated bicycle lane" shall mean a portion of the roadway or highway that has been designated by the Governing Body having jurisdiction over such roadway or highway by striping with signing or striping with pavement markings for the preferential or exclusive use of bicycles. (RSMo. §300.330, 2005)

B. No person shall operate an off-road vehicle, as defined in Section 304.001, RSMo., within any stream or river in this City, except that off-road vehicles may be operated within waterways which flow within the boundaries of land which an off-road vehicle operator owns, or for agricultural purposes within the boundaries of land which an off-road vehicle operator owns or has permission to be upon, or for the purpose of fording such stream or river of this State at such road crossings as are customary or part of the highway system. All Law Enforcement Officials or Peace Officers of this State and its political subdivisions shall enforce the provisions of this Subsection within the geographic area of their jurisdiction.

C. A person operating an all-terrain vehicle on a street or highway pursuant to an exception covered in this Section shall have a valid license issued by a State authorizing such person to operate a motor vehicle but shall not be required to have passed an examination for the operation of a motorcycle, and the vehicle shall be operated at speeds of less than thirty (30) miles per hour. When operated on a street or highway, an all-terrain vehicle shall have a bicycle safety flag, which extends not less than seven (7) feet above the ground, attached to the rear of the vehicle. 3. Utility vehicles operated by handicapped persons for short distances occasionally only on the State’s secondary roads when operated between the hours of sunrise and sunset;
4. The City may issue special permits for utility vehicles to be used on highways within the City limits by licensed drivers. Fees of fifteen dollars ($15.00) may be collected and retained by the City for such permits.

B. No person shall operate a utility vehicle within any stream or river in this City or State, except that utility vehicles may be operated within waterways which flow within the boundaries of land which a utility vehicle operator owns, or for agricultural purposes within the boundaries of land which a utility vehicle operator owns or has permission to be upon, or for the purpose of fording such stream or river of this City or State at such road crossings as are customary or part of the highway system. All Law Enforcement Officials shall enforce the provisions of this Subsection within the geographic area of their jurisdiction.

C. A person operating a utility vehicle on a highway pursuant to an exception covered in this Section shall have a valid operator’s or chauffeur’s license, except that a handicapped person operating such vehicle under Subparagraph (3) of Subsection (A) of this Section shall not be required to have passed an examination for the operation of a motorcycle, and the vehicle shall be operated at speeds of less than forty-five (45) miles per hour.

D. No persons shall operate a utility vehicle:

1. In any careless way so as to endanger the person or property of another; or

2. While under the influence of alcohol or any controlled substance.

E. No operator of a utility vehicle shall carry a passenger, except for agricultural purposes. The provisions of this Subsection shall not apply to any utility vehicle in which the seat of such vehicle is designed to carry more than one (1) person.

F. A violation of this Section shall be an ordinance violation. (RSMo. §304.032)

SECTION 340.120: RIDING BICYCLES, SLEDS, ROLLER SKATES BY ATTACHING TO ANOTHER VEHICLE PROHIBITED—PULLING A RIDER BEHIND VEHICLE PROHIBITED

No person riding upon any bicycle, motorized bicycle, coaster, roller skates, sled or toy vehicle shall attach the same or himself/herself to any vehicle upon a roadway. Neither shall the driver of a vehicle knowingly pull a rider behind a vehicle. (RSMo. §300.350)

SECTION 340.130: CONTROLLED ACCESS

SECTION 340.140: RAILROAD TRAINS NOT TO BLOCK STREETS

It shall be unlawful for the directing officer or the operator of any railroad train to direct the operation of or to operate the same in such a manner as to prevent the use of any street for purposes of travel for a period of time longer than five (5) minutes; provided that this Section shall not apply to a moving train or to one stopped because of an emergency or for repairs necessary before it can proceed safely. (RSMo. §300.360)
SECTION 340.150:  DRIVING THROUGH SAFETY ZONE PROHIBITED

No vehicle shall at any time be driven through or within a safety zone. (RSMo. §300.365)

SECTION 340.160:  MANNER OF OPERATION OF MOTOR VEHICLES—CAREFUL AND PRUDENT

Every person operating a motor vehicle on the highways of this City shall drive the vehicle in a careful and prudent manner and at a rate of speed so as not to endanger the property of another or the life or limb of any person and shall exercise the highest degree of care. (RSMo. §304.012)

SECTION 340.170:  DRIVING TO THE RIGHT

A. Upon all public roads or highways of sufficient width, a vehicle shall be driven upon the right-half of the roadway, except as follows:

1. When overtaking and passing another vehicle proceeding in the same direction pursuant to the rules governing such movement;

2. When placing a vehicle in position for and when such vehicle is lawfully making a left turn in compliance with the provisions of this Title;

3. When the right-half of a roadway is closed to traffic while under construction or repair; or

4. Upon a roadway designated by local ordinance as a one-way street and marked or signed for one-way traffic.

B. It is unlawful to drive any vehicle upon any highway or road which has been divided into two (2) or more roadways by means of a physical barrier or by means of a dividing section or delineated by curbs, lines or other markings on the roadway except to the right of such barrier or dividing section or to make any left turn or semi-circular or U-turn on any such divided highway, except at an intersection or interchange or at any signed location designated by the State Highways and Transportation Commission or the Department of Transportation. The provisions of this Subsection shall not apply to emergency vehicles, law enforcement vehicles or to vehicles owned by the Commission or the Department.

C. Whenever any roadway has been divided into three (3) or more clearly marked lanes for traffic, the following rules in addition to all other consistent herewith shall apply:

1. A vehicle shall be driven as nearly as practicable entirely within a single lane and shall not be moved from such lane until the driver has first ascertained that such movement can be made with safety.

2. Upon a roadway which is divided into three (3) lanes, a vehicle shall not be driven in the center lane except when overtaking and passing another vehicle where the roadway ahead is clearly visible and such center lane is clear of traffic within a safe distance, or in preparation for a left turn, or where such center lane is at the time allocated exclusively to traffic moving in the direction the vehicle is proceeding and is signposted to give notice of such allocation.

3. Upon all highways any vehicle proceeding at less than the normal speed of traffic thereon shall be driven in the right-hand lane for traffic or as close as practicable to the right-hand edge or curb, except as otherwise provided in Sections 304.014 to 304.026, RSMo.
4. Official signs may be erected by the State Highways and Transportation Commission or the Highway Patrol may place temporary signs directing slow-moving traffic to use a designated lane or allocating specified lanes to traffic moving in the same direction and drivers of vehicles shall obey the directions of every such sign.

5. Drivers of vehicles proceeding in opposite directions shall pass each other to the right and, except when a roadway has been divided into traffic lanes, each driver shall give to the other at least one-half (1/2) of the main traveled portion of the roadway whenever possible.

D. All vehicles in motion upon a highway having two (2) or more lanes of traffic proceeding in the same direction shall be driven in the right-hand lane except when overtaking and passing another vehicle or when preparing to make a proper left turn or when otherwise directed by traffic markings, signs or signals.

E. All trucks registered for a gross weight of more than forty-eight thousand (48,000) pounds shall not be driven in the far left-hand lane upon all interstate highways, freeways or expressways within urbanized areas of the State having three (3) or more lanes of traffic proceeding in the same direction. This restriction shall not apply when:

1. It is necessary for the operator of the truck to follow traffic control devices that direct use of a lane other than the right lane; or

2. The right-half of a roadway is closed to traffic while under construction or repair.

F. As used in Subsection (E) of this Section, "truck" means any vehicle, machine, tractor, trailer or semitrailer, or any combination thereof, propelled or drawn by mechanical power and designed for or used in the transportation of property upon the highways. The term "truck" also includes a commercial motor vehicle as defined in Section 300.010 of this Title. (RSMo. §304.015, 2008)

SECTION 340.180: PASSING REGULATIONS

A. The following rules shall govern the overtaking and passing of vehicles proceeding in the same direction, subject to the limitations and exceptions hereinafter stated:

1. The driver of a vehicle overtaking another vehicle proceeding in the same direction shall pass to the left thereof at a safe distance and shall not again drive to the right side of the roadway until safely clear of the overtaken vehicle; and

2. Except when overtaking and passing on the right is permitted, the driver of an overtaken vehicle shall give way to the right in favor of the overtaking vehicle and shall not increase the speed of such driver’s vehicle until completely passed by the overtaking vehicle.

B. The driver of a motor vehicle may overtake and pass to the right of another vehicle only under the following conditions:

1. When the vehicle overtaken is making or about to make a left turn;

2. Upon a City street with unobstructed pavement of sufficient width for two (2) or more lanes of vehicles in each direction; or

3. Upon a one-way street.

The driver of a motor vehicle may overtake and pass another vehicle upon the right only under the
foregoing conditions when such movement may be made in safety. In no event shall such movement be made by driving off the paved or main traveled portion of the roadway. The provisions of this Subsection shall not relieve the driver of a slow-moving vehicle from the duty to drive as closely as practicable to the right-hand edge of the roadway.

C. Except when a roadway has been divided into three (3) traffic lanes, no vehicle shall be driven to the left side of the centerline of a highway or public road in overtaking and passing another vehicle proceeding in the same direction unless such left side is clearly visible and is free of oncoming traffic for a sufficient distance ahead to permit such overtaking and passing to be completely made without interfering with the safe operation of any vehicle approaching from the opposite direction or any vehicle overtaken.

D. No vehicle shall at any time be driven to the left side of the roadway under the following conditions:

1. When approaching the crest of a grade or upon a curve of the highway where the driver’s view is obstructed within such distance as to create a hazard in the event another vehicle might approach from the opposite direction.

2. When the view is obstructed upon approaching within one hundred (100) feet of any bridge, viaduct, tunnel or when approaching within one hundred (100) feet of or at any intersection or railroad grade crossing. (RSMo. §304.016)

SECTION 340.190: HAND AND MECHANICAL SIGNALS

No person shall stop or suddenly decrease the speed of or turn a vehicle from a direct course or move right or left upon a roadway unless and until such movement can be made with reasonable safety and then only after the giving of an appropriate signal in the manner provided herein.

1. An operator or driver when stopping, or when checking the speed of the operator’s vehicle if the movement of other vehicles may reasonably be affected by such checking of speed, shall extend such operator’s arm at an angle below horizontal so that the same may be seen in the rear of the vehicle.

2. An operator or driver intending to turn the vehicle to the right shall extend such operator’s arm at an angle above horizontal so that the same may be seen in front of and in the rear of the vehicle and shall slow down and approach the intersecting highway as near as practicable to the right side of the highway along which such operator is proceeding before turning.

3. An operator or driver intending to turn the vehicle to the left shall extend such operator’s arm in a horizontal position so that the same may be seen in the rear of the vehicle and shall slow down and approach the intersecting highway so that the left side of the vehicle shall be as near as practicable to the centerline of the highway along which the operator is proceeding before turning.

4. The signals herein required shall be given either by means of the hand and arm or by a signal light or signal device in good mechanical condition of a type approved by the State Highway Patrol; however, when a vehicle is so constructed or loaded that a hand and arm signal would not be visible both to the front and rear of such vehicle, then such signals shall be given by such light or device. A vehicle shall be considered as so constructed or loaded that a hand and arm signal would not be visible both to the front and rear when the distance from the center of the top of the steering post to the left outside limit of the body, cab or load exceeds twenty-four (24) inches, or when the distance from the center of the top of the steering post to the rear limit of the body or load thereon exceeds fourteen (14) feet, which limit of fourteen (14) feet shall
apply to single vehicles or combinations of vehicles. The provisions of this Subsection shall not apply to any trailer which does not interfere with a clear view of the hand signals of the operator or of the signaling device upon the vehicle pulling such trailer; provided further, that the provisions of this Section as far as mechanical devices on vehicles so constructed that a hand and arm signal would not be visible both to the front and rear of such vehicle as above provided shall only be applicable to new vehicles registered within this State after the first (1st) day of January, 1954. (RSMo. §304.019)

SECTION 340.200: STOPPING FOR SCHOOL BUS

A. The driver of a vehicle upon a highway upon meeting or overtaking from either direction any school bus which has stopped on the highway for the purpose of receiving or discharging any school children and whose driver has in the manner prescribed by law given the signal to stop shall stop the vehicle before reaching such school bus and shall not proceed until such school bus resumes motion or until signaled by its driver to proceed.

B. Every bus used for the transportation of school children shall bear upon the front and rear thereon a plainly visible sign containing the words "School Bus" in letters not less than eight (8) inches in height. Each bus shall have lettered on the rear in plain and distinct type the following: "State Law: Stop While Bus is Loading and Unloading". Each school bus subject to the provisions of Sections 304.050 to 304.070, RSMo., shall be equipped with a mechanical and electrical signaling device approved by the State Board of Education which will display a signal plainly visible from the front and rear and indicating intention to stop.

C. Every school bus operated to transport students in the public school system which has a gross vehicle weight rating of more than ten thousand (10,000) pounds, which has the engine mounted entirely in front of the windshield and the entrance door behind the front wheels, and which is used for the transportation of school children shall be equipped with a crossing control arm. The crossing control arm, when activated, shall extend a minimum of five (5) feet six (6) inches from the face of the front bumper. The crossing control arm shall be attached on the right side of the front bumper and shall be activated by the same controls which activate the mechanical and electrical signaling devices described in Subsection (B) of this Section. This Subsection may be cited as "Jessica's Law" in commemoration of Jessica Leicht and all other Missouri school children who have been injured or killed during the operation of a school bus.

D. Except as otherwise provided in this Section, the driver of a school bus in the process of loading or unloading students upon a street or highway shall activate the mechanical and electrical signaling devices, in the manner prescribed by the State Board of Education, to communicate to drivers of other vehicles that students are loading or unloading. A public school district has the authority pursuant to Section 304.050, RSMo., to adopt a policy which provides that the driver of a school bus in the process of loading or unloading students upon a divided highway of four (4) or more lanes may pull off of the main roadway and load or unload students without activating the mechanical and electrical signaling devices in a manner which gives the signal for other drivers to stop and may use the amber signaling devices to alert motorists that the school bus is slowing to a stop; provided that the passengers are not required to cross any traffic lanes and also provided that the emergency flashing signal lights are activated in a manner which indicates that drivers should proceed with caution and, in such case, the driver of a vehicle may proceed past the school bus with due caution. No driver of a school bus shall take on or discharge passengers at any location upon a highway consisting of four (4) or more lanes of traffic, whether or not divided by a median or barrier, in such manner as to require the passengers to cross more than two (2) lanes of traffic; nor shall any passengers be taken on or discharged while the vehicle is upon the road or highway proper unless the vehicle so stopped is plainly visible for at least five hundred (500) feet in each direction to drivers of other vehicles in the case of a highway with no shoulder and a speed limit greater than
sixty (60) miles per hour and at least three hundred (300) feet in each direction to drivers of other vehicles upon other highways, and on all highways, only for such time as is actually necessary to take on and discharge passengers.

E. The driver of a vehicle upon a highway with separate roadways need not stop upon meeting or overtaking a school bus which is on a different roadway, which is proceeding in the opposite direction on a highway containing four (4) or more lanes of traffic, or which is stopped in a loading zone constituting a part of, or adjacent to, a limited or controlled access highway at a point where pedestrians are not permitted to cross the roadway. (RSMo. §304.050)

SECTION 340.210: RIGHT-OF-WAY AT INTERSECTION—SIGNS AT INTERSECTIONS

A. The driver of a vehicle approaching an intersection shall yield the right-of-way to a vehicle which has entered the intersection from a different highway, provided however, there is no form of traffic control at such intersection.

B. When two (2) vehicles enter an intersection from different highways at approximately the same time, the driver of the vehicle on the left shall yield the right-of-way to the driver of the vehicle on the right. This Subsection shall not apply to vehicles approaching each other from opposite directions when the driver of one (1) of such vehicles is attempting to or is making a left turn.

C. The driver of a vehicle within an intersection intending to turn to the left shall yield the right-of-way to any vehicle approaching from the opposite direction which is within the intersection or so close thereto as to constitute an immediate hazard.

D. The driver of a vehicle intending to make a left turn into an alley, private road or driveway shall yield the right-of-way to any vehicle approaching from the opposite direction when the making of such left turn would create a traffic hazard.

E. The City may, on any section of road where construction or major maintenance operations are being effected, fix a speed limit in such areas by posting of appropriate signs, and the operation of a motor vehicle in excess of such speed limit in the area so posted shall be deemed prima facie evidence of careless and imprudent driving and a violation of Section 340.160. (RSMo. §304.351, 2006)

State Law Reference—This Section has additional penalties based on certain circumstances, §304.351, RSMo.

SECTION 340.220: DISTANCE AT WHICH VEHICLE MUST FOLLOW

The driver of a vehicle shall not follow another vehicle more closely than is reasonably safe and prudent, having due regard for the speed of such vehicle and the traffic upon and the condition of the roadway. Vehicles being driven upon any roadway outside of a business or residence district in a caravan or motorcade, whether or not towing other vehicles, shall be so operated, except in a funeral procession or in a duly authorized parade, so as to allow sufficient space between each such vehicle or combination of vehicles as to enable any other vehicle to overtake or pass such vehicles in safety. This Section shall in no manner affect Section 304.044, RSMo., relating to distance between trucks traveling on the highway. (RSMo. §304.017)

SECTION 340.230: RIDING ON HANDLEBARS PROHIBITED

No. 176 §21, 11-11-49)

SECTION 340.270: OBSTRUCTION TO OPERATOR’S VIEW OR DRIVING MECHANISM

A. It shall be unlawful for the operator of any vehicle to drive the same when such vehicle is so loaded, or when there are in the front seat of such vehicle such number of persons as to obstruct the view of the operator to the front or sides or to interfere with the operator’s control over the driving mechanism of the vehicle.

B. It shall be unlawful for any passenger in a vehicle or streetcar to ride in such position as to interfere with the operator’s view ahead or to the sides or to interfere with the operator’s control over the driving mechanism of the vehicle. (CC 1994 §340.200; Ord. No. 176 §43, 11-11-49)

E. The person tested may have a physician, or a qualified technician, chemist, registered nurse or other qualified person at the choosing and expense of the person to be tested, administer a test in addition to any administered at the direction of a Law Enforcement Officer. The failure or inability to obtain an additional test by a person shall not preclude the admission of evidence relating to the test taken at the direction of a Law Enforcement Officer.

F. Upon the request of the person who is tested, full information concerning the test shall be made available to such person. Full information is limited to the following:

F. **Physical Search Of Property.** In the event that the Missouri Department of Revenue notifies the towing company that the records of the Department of Revenue fail to disclose the name of the owner or any lienholder of record, the towing company shall attempt to locate documents or other evidence of ownership on or within the abandoned property itself. The towing company must certify that a physical search of the abandoned property disclosed no ownership documents were found and a good faith effort has been made. For purposes of this Section, "good faith effort" means that the following checks have been performed by the company to establish the prior State of registration and title:

determine if the abandoned property was wrongfully taken or withheld from the owner. The petition shall name the towing company among the defendants. The petition may also name the agency ordering the tow or the owner, lessee or agent of the real property from which the abandoned property was removed. The Missouri Director of Revenue shall not be a party to such petition but a copy of the petition shall be served on the Director of Revenue.

H. **Notice To Owner.** Notice as to the removal of any abandoned property pursuant to this Chapter shall be made in writing within five (5) working days to the registered owner and any lienholder of the fact of the removal, the grounds for the removal, and the place to which the property has been removed by either:

The towing company may dispose of such abandoned property by selling the property on a bill of sale as prescribed by the Director of Revenue to a scrap metal operator or licensed salvage dealer for destruction purposes only. The towing company shall forward a copy of the bill of sale provided by the scrap metal operator or licensed salvage dealer to the Director of Revenue within two (2) weeks of the date of such sale. The towing company shall keep a record of each such vehicle sold for destruction for three (3) years that shall be available for inspection by law enforcement and authorized Department of Revenue officials. The record shall contain the year, make, identification number of the property, date of sale, and name of the purchasing scrap metal operator or licensed salvage dealer and copies of all notifications issued by the towing company as required in this Chapter. Scrap metal operators or licensed salvage dealers shall keep a record of the purchase of such property as provided in Section 301.227, RSMo. Scrap metal operators and licensed salvage dealers may obtain a junk certificate as provided in Section 301.227, RSMo., on vehicles purchased on a bill of sale pursuant to the Section.

Vacancies shall be filled for the unexpired term only. Members shall be removed for cause by the Mayor and the Board of Aldermen upon written charges and after public hearing.

B. The Board shall elect its own Chairman and Vice Chairman who shall serve for one (1) year. The Board shall adopt from time to time such rules and regulations as it may deem necessary to carry into effect the provisions of this Chapter. (CC 1994 §400.240; Ord. No. 180 Art. VIII §1, 7-21-50)

Such Chairman or, in his/her absence, the Acting Chairman may administer oaths and compel the attendance of witnesses. All meetings of the Board shall be open to the public. The Board shall keep minutes of its proceedings, showing the vote of each member upon each question, or if absent or failing to vote, indicating such fact, and shall keep records of its examinations and other official actions, all of which shall be immediately filed in the office of the Board and shall be a public record. All testimony, objections thereto and rulings thereon shall be taken down by a reporter employed by the Board for that purpose. (CC 1994 §400.250; Ord. No. 180 Art. VIII §2, 7-21-50)

SECTION 405.250: APPEALS TO THE BOARD

Appeals to the Board may be taken by any person aggrieved or by any officer, department, board or bureau of the City of Flordell Hills affected by any decision of the Building Commissioner. Such appeal shall be taken within a reasonable time as shall be prescribed by the Board by general rule, by filing with the Building Commissioner and with the Board of Adjustment a notice of appeal specifying the grounds thereof and by paying a filing fee of one hundred dollars ($100.00) to the Building Commissioner at the time the notice is filed, which the Building Commissioner shall forthwith pay over to the City Treasurer to the credit of the General Revenue Fund of the City of Flordell Hills. The Building Commissioner shall forthwith transmit to the Board all the papers constituting the record upon which the action appealed from is taken.

1. An appeal stays all proceedings in furtherance of the action appealed from unless the Building Commissioner certifies to the Board after the notice of appeal shall have been filed with him/her that, by reason of facts stated in the certificate, a stay would, in his/her opinion, cause imminent peril to life or property. In such case, proceedings shall not be stayed otherwise than
by a restraining order which may be granted by the Board or by a court of record on application or notice to the Building Commissioner and on due cause shown.

2. The Board shall fix a reasonable time for the hearing of the appeal, give public notice thereof by publishing a notice of said appeal in a newspaper of general circulation in the City of Flordell Hills, said publication to be at least fifteen (15) days prior to the time for hearing of the appeal, as well as due notice to the parties in interest, and decide the same within a reasonable time. Upon the hearing, any party may appear in person or by agent or by attorney. (CC 1994 §400.260; Ord. No. 180 Art. VIII §3, 7-21-50; Ord. No. 291 §1, 8-11-61; Ord. No. 412 §2, 10-19-81)

SECTION 405.260: JURISDICTION

When a property owner can show that a strict application of the terms of this Chapter relating to the construction or alteration of buildings or structures or the use of land will impose upon him/her practical difficulties or particular hardship, then the Board may consider and allow such variations to the strict application of the terms of this Chapter as are in harmony with its general purpose and intent when the Board is satisfied, under the evidence heard before it, that a granting of such variation will not merely serve as a convenience to the applicant, but will alleviate some demonstrable hardship or difficulty so great as to warrant a variation from the Comprehensive Plan and this Chapter. In conformity with these principles the Board shall also have jurisdiction in the following instances where an exception may be granted:

1. To hear and decide appeals where it is alleged there is error in any order, requirement, decision or determination made by the Building Commissioner in the enforcement of this Chapter.

2. To interpret the provisions of this Chapter in such a way as to carry out the intent and purpose of the plan, as shown upon the map fixing the several districts accompanying and made a part of this Chapter, where the street layout actually on the ground varies from the street layout as shown on the map aforesaid.

3. To permit the erection and use of a building or the use of a premises in any location for a public service corporation or for public utility purposes necessary to the public convenience or welfare.

4. To determine whether any proposed plant or establishment is obnoxious or offensive and not in accordance with the intent and spirit of this Chapter because of the emission of smoke, odor, noise or gas.

5. To permit the reconstruction of a non-conforming building which has been destroyed or partially destroyed by fire or other act of God where the Board shall find some compelling public necessity requiring a continuance of the non-conforming use, and in no case shall such a permit be issued if its primary function is to continue a monopoly.

6. To authorize a variance where by reason of exceptional narrowness, shallowness or shape of a specific piece of property of record, or by reason of exceptional topographical conditions or other extraordinary or exceptional situation or condition of a specific piece of property, the strict application of any provision of this Chapter would result in peculiar and exceptional practical difficulties and particular hardship upon the owner of such property and amount to a practical confiscation of such property as distinguished from a mere inconvenience to such owner, provided such relief can be granted without substantial detriment to the public good and
without substantially impairing the general purpose and intent of the Comprehensive Plan as established by the regulations and provisions contained in this Chapter. (CC 1994 §400.270; Ord. No. 180 Art. VIII §4, 7-21-50)

SECTION 405.270: DETERMINATION BY THE BOARD

A. In considering all appeals and all proposed variations to this Chapter, the Board shall, before making any finding in a specific case, first determine that the proposed variation will not constitute any change in the District Map and will not impair an adequate supply of light and air to adjacent property, or unreasonably increase the congestion in public streets, or increase the public danger of fire and safety, or diminish or impair established property values within the surrounding area, or in any other respect impair the public health, safety, comfort, morals and welfare of Flordell Hills.

B. Every variation granted or denied by the Board shall be accompanied by a written finding of fact, based on sworn testimony and evidence, specifying the reason for granting or denying such variation.

C. In exercising the above mentioned powers the Board may, in conformity with the provisions of the law, reverse or affirm, wholly or partly, or may modify the order, requirement, decision or determination appealed from and may make such order, requirement, decision or determination as ought to be made and to that end shall have all the powers of the Building Commissioner.

D. The concurring vote of four (4) members of the Board shall be necessary to reverse any order, requirement, decision or determination of the Building Commissioner or to decide in favor of the applicant on any matter upon which it is required to pass under this Chapter or to effect any variation to this Chapter. (CC 1994 §400.280; Ord. No. 180 Art. VIII §§5—6, 7-21-50)

SECTION 405.280: PETITION TO CIRCUIT COURT

Such petition shall be presented to the court within thirty (30) days after the filing of the decision in the office of the Board.

1. Upon the presentation of such petition the court may allow a writ of certiorari directed to the Board to review such decision of the Board and shall prescribe therein the time within which a return thereto must be made and served upon the relator’s attorney, which shall not be less than ten (10) days and may be extended by the court. The allowance of the writ shall not stay proceedings upon the decision appealed from but the court may on application, on notice to the Board and on due cause shown grant a restraining order.

2. The Board shall not be required to return the original papers acted upon by it, but it shall be sufficient to return certified or sworn copies thereof or of such portion thereof as may be called for by such writ. The return shall concisely set forth such other facts as may be pertinent and material to show the grounds of the decision appealed from and shall be verified. If upon the hearing it shall appear to the court that testimony is necessary for the proper disposition of the matter, it may take evidence or appoint a referee to take such evidence as it may direct and report the same to the court with his/her findings of fact and conclusion of law, which shall constitute a part of the proceedings upon which the determination of the court shall be made. The court may reverse or affirm, wholly or partly, or may modify the decision brought up for review.
3. Costs shall not be allowed against the Board unless it shall appear to the court that it acted with gross negligence or in bad faith or with malice in making the decision appealed from. (CC 1994 §400.290; Ord. No. 180 Art. VIII §7, 7-21-50)

No permit shall be issued to make a change unless the changes are in conformity with the provisions of this Chapter.

D. Certificates for occupancy shall be applied for coincidentally with the application for a construction permit and shall be issued within ten (10) days after the lawful erection, reconstruction or alteration of the building is completed. (CC 1994 §605.040; Ord. No. 133 §4, 8-13-46)

SECTION 605.160: RATE—TIME OF PAYMENT

There shall be levied and collected on or before the first (1st) day of October of each year a license, which shall be paid to the City Collector every year by the merchant, mercantile firm or corporation, one dollar ($1.00) on each one thousand dollars ($1,000.00) or fractional part thereof, of sales made by such merchant, mercantile firm or corporation at each store, stand or place occupied for that purpose within the corporate limits of the City of Flordell Hills; provided that no license shall be issued under the provisions of this Chapter for a less sum than twenty-five dollars ($25.00), which sum shall be paid by each merchant, mercantile firm or corporation doing a business of twenty-five thousand dollars ($25,000.00) or less per annum. (CC 1994 §605.050; Ord. No. 133 §5, 8-13-46; Ord. No. 244 §1, 9-9-55)

SECTION 605.170: BLANK LICENSES, FORM, ISSUANCE

It shall be the duty of the City Collector to furnish blank licenses, which shall be in the following form:

The State of Missouri, to all who shall see these presents, greeting: Know ye that
is hereby authorized to vend goods, wares and merchandise at any one (1) place within said County for twelve (12) months ending the ___ day of _______, next.

In testimony, I, ______, Clerk of the County Commission of ______ County, have affixed the Seal of said commission, this ___ day of _______, 20__.

(CC 1994 §605.060)

SECTION 605.180: LICENSES ISSUED TO CORRESPOND WITH STUB

The blank licenses provided for in Section 605.170 shall be bound in book form, with suitable stubs on which shall be made and entered the amount of tax or license collected in accordance with the statements filed as provided in Section 605.150. (CC 1994 §605.070; Ord. No. 133 §7, 8-13-46)

SECTION 605.190: BOND

When any merchant, mercantile firm or corporation shall commence business in the City of Flordell Hills, Missouri, after the first (1st) day of October in any year, he/she or they shall take out a merchant’s license therefor, but before any such license shall be issued to him/her or them, he/she or they shall execute a bond to the City of Flordell Hills, with two (2) or more sufficient sureties, who shall be freeholders at the time, or deposit with the City Collector bonds of the City of Flordell Hills or other securities of equal value conditioned that he/she or they will, on or before the first (1st) day of October next following, furnish to the City Collector a statement, verified as required by this Article, of the aggregate amount of all sales made by him/her or them between the date upon which he/she or they commenced business and the close or end of his/her or their fiscal or calendar year immediately preceding the first (1st) day of September next succeeding, and that he/she or they will pay to the City Collector the license due according to the provisions of this Article, which bond or securities shall be of such sum as the City Collector may deem sufficient to protect the City’s interest and shall be approved by him/her and his/her approval endorsed thereon. Upon such statements there shall be paid the same license as other merchants pay, and every such merchant, mercantile firm or corporation who shall fail or neglect to perform or fulfill the conditions of the bond executed by him/her or them, as herein provided, shall be deemed to have forfeited said bond, and in that event it shall be the duty of the City Collector to cause suit to be instituted thereon against the principals and all such securities of such bond in the court having competent jurisdiction or make sale of the securities deposited with him/her instead of a bond, at public sale, after having given ten (10) days’ notices thereof in a newspaper of general circulation in the City of Flordell Hills, Missouri. (CC 1994 §605.080; Ord. No. 133 §8, 8-13-46)

SECTION 605.200: ACCOUNT SALES TO BE OPEN TO INSPECTION

It shall be the duty of each merchant, mercantile firm or corporation to keep a proper book and enter in ink an account of all sales made by him/her or them, which account shall always be open to the inspection of the City Collector to verify the returns made by him/her. The statements or returns made to the City Clerk under the requirements of this Article shall not be made public nor shall they be subject to the inspection of any person except the City Treasurer and the members of the Board of Aldermen. (CC 1994 §605.090; Ord. No. 133 §9, 8-13-46)

SECTION 605.210: PENALTY FOR FAILURE TO MAKE STATEMENT OR PAY LICENSE

In case any person, mercantile firm or corporation shall fail, neglect or refuse to deliver the
statement herein required and pay the license levied by this Article on or before the first (1st) day of October in each year, he/she or they shall be deemed guilty of a misdemeanor and upon conviction shall be fined as provided for in Section 605.130. The City Collector shall report all delinquencies to the Board of Aldermen for such action as may be deemed advisable. (CC 1994 §605.100; Ord. No. 133 §10, 8-13-46)

SECTION 605.220:  MERCHANTS' LICENSE DOES NOT AUTHORIZE DRAM SHOP

This Article relating to merchants' licenses shall not be construed to authorize any person to sell intoxicating liquors. (CC 1994 §605.110; Ord. No. 133 §11, 8-13-46)

SECTION 605.230:  PENALTY FOR MAKING FALSE STATEMENT

Whoever shall make or file with the City Clerk, under the provisions of this Article, a false statement under oath shall, on conviction thereof, forfeit his/her license and pay a fine not exceeding one hundred dollars ($100.00); and it shall be the duty of the City Clerk to carefully examine all statements filed with him/her and to prosecute all violations of this Article according to law; provided that before instituting any such prosecution, he/she shall give the merchant an opportunity of explaining the statement and correcting it if inadvertently made; and if it shall appear to the City Collector that such false statement was willfully and corruptly made, he/she shall report all the facts to the grand jury. (CC 1994 §605.120; Ord. No. 133 §12, 8-13-46)

ARTICLE III. MISCELLANEOUS BUSINESS REGULATIONS

A.  At the time of making any secured personal credit loan, the lender shall execute and deliver to the borrower a receipt for and describing the tangible personal property subjected to the security interest to secure the payment of the loan. The receipt shall contain the following:

1.  The name and address of the pawnshop;

2.  The name and address of the pledgor, the pledgor's description and the driver's license number, military identification number, identification certificate number or other official number capable of identifying the pledgor;

3.  The date of the transaction; and

4.  An identification and description of the pledged goods, including serial numbers if reasonable available.

B.  The pawnbroker is required to furnish local law enforcement authorities with copies of information contained in subparagraphs (1) to (4) of Subsection (A) of this Section. (Ord. No. 507, 9-21-98)
CHAPTER 610: PEDDLERS AND SOLICITORS

SECTION 610.010: DEFINITIONS

As used in this Chapter, the following words have the meaning indicated:

**CANVASSER:** A person who attempts to make personal contact with a resident at his/her residence without prior specific invitation or appointment from the resident for the primary purpose of:

1. Attempting to enlist support for or against a particular religion, philosophy, ideology, political party, issue or candidate, even if incidental to such purpose the canvasser accepts the donation of money for or against such cause, or

2. Distributing a handbill or flyer advertising a non-commercial event or service.

**PEDDLER:** A person who attempts to make personal contact with a resident at his/her residence without prior specific invitation or appointment from the resident for the primary purpose of attempting to sell a good or service. A "peddler" does not include a person who distributes handbills or flyers for a commercial purpose, advertising an event, activity, good or service that is offered to the resident for purchase at a location away from the residence or at a time different from the time of visit. Such a person is a "solicitor".

(Comment: A person who passes out menus for a restaurant would not be a peddler, because the resident ordinarily orders off the menu at a time when the visitor has left. Similarly, a person passing out flyers advertising a sale at a nearby venue would not be a peddler, because the resident ordinarily would need to go to the other venue to make a purchase. An individual passing out flyers saying "tomorrow we will come to your house and for $5 will paint your house number along the curb" would not be a peddler, because the sale would occur after the visit. However the people who show up tomorrow would need a peddler’s permit.)

**SOLICITOR:** A person who attempts to make personal contact with a resident at his/her residence without prior specific invitation or appointment from the resident for the primary purpose of:

1. Attempting to obtain a donation to a particular patriotic, philanthropic, social service, welfare, benevolent, educational, civic, fraternal, charitable, political or religious purpose, even if incidental to such purpose there is the sale of some good or service, or

2. Distributing a handbill or flyer advertising a commercial event or service.

SECTION 610.020: EXCEPTION

This Chapter shall not apply to a Federal, State or local government employee or a public utility employee in the performance of his/her duty for his/her employer.
SECTION 610.030: PERMIT REQUIRED FOR PEDDLERS AND SOLICITORS, AVAILABLE FOR CANVASSERS

No person shall act as a peddler or as a solicitor within the City without first obtaining a permit in accordance with this Chapter. A canvasser is not required to have a permit but any canvasser wanting a permit for the purpose of reassuring City residents of the canvasser's good faith shall be issued one upon request.

(Comment: Some Cities exempt people having a County peddler's or solicitor's license from getting a local permit. Because the regulation of this activity involves serious risk of going "too far" in regulating activities protected by the First Amendment to the Constitution, it seems advisable not to have the City regulation entangled with regulations from any other local government. Ask your lawyer what he/she thinks and follow her/his advice.)

SECTION 610.040: FEE

The fee for the issuance of each permit shall be:

1. For a peddler acting on behalf of a merchant otherwise licensed to do business within the City: No fee.

2. For a peddler acting on behalf of a merchant not otherwise licensed to do business within the City: A fee of $___ per day.

(Comment: The daily fee for a peddler acting for an out-of-town business should not be proportionally higher than the annual fee for an in-town business license for fear of creating an unreasonable restraint of trade. A fee of $5 per day might be acceptable in many Cities.)

3. For a solicitor, including a commercial solicitor advertising an event, activity, good or service for purchase at a location away from the residence: No fee.

4. For a canvasser requesting a permit: No fee.

SECTION 610.050: APPLICATION FOR PERMIT

Any person or organization, formal or informal, may apply for one (1) or more permits by completing an application form at the office of the issuing officer during regular office hours.

SECTION 610.060: CONTENTS OF APPLICATION

The applicant, person or organization shall provide the following information:

1. Name of applicant.

2. Number of permits required.

3. The name, physical description and photograph of each person for which a permit is requested. In lieu of this information, a driver's license, State identification card, passport or other government-issued identification card issued by a government within the United States containing this information may be provided and a photocopy taken.
4. The permanent and, if any, local address of the applicant.

5. The permanent and, if any, local address of each person for whom a permit is requested.

6. A brief description of the proposed activity related to this permit. Copies of literature to be distributed may be substituted for this description at the option of the applicant.

7. Date and place of birth for each person for whom a permit is requested and, if available, the social security number of such person.

8. A list of all infraction, offense, misdemeanor and felony convictions of each person for whom a permit is requested for the seven (7) years immediately prior to the application.

9. The motor vehicle make, model, year, color and State license plate number of any vehicle which will be used by each person for whom a permit is requested.

10. If a permit is requested for a peddler:
   a. The name and permanent address of the business offering the event, activity, good or service, i.e., the peddler's principal.
   b. A copy of the principal's sales tax license as issued by the State of Missouri, provided that no copy of a license shall be required of any business which appears on the City's annual report of sales tax payees as provided by the Missouri Department of Revenue.
   c. The location where books and records are kept of sales which occur within the City and which are available for City inspection to determine that all City sales taxes have been paid.

11. If a permit is requested for a solicitor:
   a. The name and permanent address of the organization, person or group for whom donations or proceeds are accepted.
   b. The web address for this organization, person or group or other address where residents having subsequent questions can go for more information.

12. Any other information the applicant wishes to provide, perhaps including copies of literature to be distributed, references to other municipalities where similar activities have occurred, etc.

SECTION 610.070: ISSUANCE OF PERMIT

The permit(s) shall be issued promptly after application but in all cases within eight (8) business hours of completion of an application, unless it is determined within that time that:

1. The applicant has been convicted of a felony or a misdemeanor involving moral turpitude within the past seven (7) years,

2. With respect to a particular permit, the individual for whom a permit is requested has been convicted of any felony or a misdemeanor involving moral turpitude within the past seven (7) years, or
3. Any statement upon the application is false, unless the applicant can demonstrate that the falsehood was the result of excusable neglect.

(Comment: Our earlier solicitor's model ordinance permitted seven (7) days for investigation. That ordinance was written before the Internet had become so ubiquitous and before Police had access to special computers to check criminal history. Eight (8) business hours ought to be enough time for an investigation.)

SECTION 610.080: INVESTIGATION

During the period of time following the application for one (1) or more permits and its issuance, the City shall investigate as to the truth and accuracy of the information contained in the application. If the City has not completed this investigation within the eight (8) business hours provided in Section 610.070, the permit will nonetheless be issued subject, however, to administrative revocation upon completion of the investigation. If a canvasser requests a permit, the investigation will proceed as described above, but if the City refuses to issue the permit (or revokes it after issuance), the canvasser will be advised that the failure to procure a permit does not prevent him/her from canvassing the residents of the City.

SECTION 610.090: DENIAL—ADMINISTRATIVE REVOCATION

If the issuing officer denies, or upon completion of an investigation revokes, the permit to one (1) or more persons, he/she shall immediately convey the decision to the applicant orally and shall within sixteen (16) working hours after the denial prepare a written report of the reason for the denial which shall be immediately made available to the applicant. Upon receipt of the oral notification and even before the preparation of the written report, the applicant shall have at his/her option an appeal of the denial of his/her application before the following tribunal:

(Note: The City or Village should select one (1) or more of the following. Consult with your lawyer before deciding.)

1. The Board of Aldermen at its next regular meeting or, if the next regular meeting is more than ten (10) days from the denial of the application, at a special meeting to be held within that ten (10) day period, due notice of which is to be given to the public and the applicant.
2. Before the Municipal Court of the City, provided that such a hearing will be scheduled within ten (10) days of the request, due notice of which is to be given to the public and the applicant.
3. Before an administrative tribunal or hearing board as established by City Code, provided that such a hearing will be scheduled within ten (10) days of the request, due notice of which is to be given to the public and the applicant.

SECTION 610.100: HEARING ON APPEAL

If the applicant requests a hearing under Section 610.090, the hearing shall be held in accordance with the Administrative Procedure Act of the State of Missouri and review from the decision (on the record of the hearing) shall be had to the Circuit Court of the County in which the City is located. The hearing shall also be subject to the Missouri open meetings and records law.

(Comment: The Missouri APA establishes venue differently than what is provided here. It is debatable if the City can change the law of venue as established by Statute, but prior versions of this ordinance have
attempted to do so and I haven't deviated from that practice. Another comment: Earlier versions of this ordinance used the phrase "a felony or a misdemeanor involving moral turpitude". It wasn't clear if what was intended to apply to "any felony" or to a "felony involving moral turpitude". I have changed the wording to say "any felony", if you intend the alternative meaning, you should change the wording.)

SECTION 610.110: DISPLAY OF PERMIT

Each permit shall be, when the individual for whom it was issued is acting as a peddler or solicitor, worn on the outer clothing of the individual as so to be reasonably visible to any person who might be approached by said person.

SECTION 610.120: VALIDITY OF PERMIT

A permit shall be valid within the meaning of this Chapter for a period of six (6) months from its date of issuance or the term requested, whichever is less.

(Note to municipality: The six (6) month validity period is not written in stone. You could select a longer or shorter time, as long as a judge thinks you are "reasonable").

SECTION 610.130: REVOCATION OF PERMIT

In addition to the administrative revocation of a permit, a permit may be revoked for any of the following reasons:

1. Any violation of this Chapter by the applicant or by the person for whom the particular permit was issued.
2. Fraud, misrepresentation or incorrect statement made in the course of carrying on the activity.
3. Conviction of any felony or a misdemeanor involving moral turpitude within the last seven (7) years.
4. Conducting the activity in such a manner as to constitute a breach of the peace or a menace to the health, safety or general welfare of the public.

The revocation procedure shall be initiated by the filing of a complaint by the City Attorney or the issuing officer pursuant to the State Administrative Procedure Act and a hearing before the tribunal identified in Section 610.090 above.

(Comment: The reason I didn’t have the administrative revocation handled through the tribunal is that the State APA has some delays built into it, and the revocation won’t take place until after the hearing. Prior versions of this ordinance included the administrative revocations under the State APA procedure. I think that was a mistake and have allowed for a summary revocation procedure in that one (1) instance. Obviously other lawyers think differently. Follow the advice of the lawyer you are paying.)

SECTION 610.140: DISTRIBUTION OF HANDBILLS AND COMMERCIAL FLYERS

In addition to the other regulations contained herein, a solicitor or canvasser leaving handbills or commercial flyers about the community shall observe the following regulations:
1. No handbill or flyer shall be left at or attached to any sign, utility pole, transit shelter or other structure within the public right-of-way. The Police are authorized to remove any handbill or flyer found within the right-of-way.

2. No handbill or flyer shall be left at or attached to any privately owned property in a manner that causes damage to such privately owned property.

3. No handbill or flyer shall be left at or attached to any of the property having a "no solicitor" sign of the type described in Section 610.150(1) and (2).

4. Any person observed distributing handbills or flyers shall be required to identify himself/herself to the Police (either by producing a permit or other form of identification). This is for the purpose of knowing the likely identity of the perpetrator if the City receives a complaint of damage caused to private property during the distribution of handbills or flyers.

SECTION 610.150: GENERAL PROHIBITIONS

No peddler, solicitor or canvasser shall:

1. Enter upon any private property where the property has clearly posted in the front yard a sign visible from the right-of-way (public or private) indicating a prohibition against peddling, soliciting and/or canvassing. Such sign need not exceed one (1) square foot in size and may contain words such as "no soliciting" or "no solicitors" in letters of at least two (2) inches in height. The phrase "no soliciting" or "no solicitors" shall also prohibit peddlers and canvassers.

2. Remain upon any private property where a notice in the form of a sign or sticker is placed upon any door or entrance way leading into the residence or dwelling at which guests would normally enter, which sign contains the words "no soliciting" or "no solicitors" and which is clearly visible to the peddler, solicitor or canvasser.

3. Use or attempt to use any entrance other than the front or main entrance to the dwelling or step from the sidewalk or indicated walkway (where one exists) leading from the right-of-way to the front or main entrance, except by express invitation of the resident or occupant of the property.

4. Remove any yard sign, door or entrance sign that gives notice to such person that the resident or occupant does not invite visitors.

5. Enter upon the property of another except between the hours of 9:00 A.M. and 8:00 P.M. in the hours of Central Standard Time and 9:00 A.M. and 9:30 P.M. in the hours of Central Daylight Time.

(Comment: These hours are from the earlier St. Louis County model ordinance. I think they are too restrictive. I would like 7:00 A.M. to 10:00 P.M. better. Talk to your lawyer about what hours he/she is prepared to defend in court and do what that lawyer advises.)

Except that the above prohibitions shall not apply when the peddler, solicitor or canvassers has an express invitation from the resident or occupant of a dwelling allowing him/her to enter upon any posted property.
SECTION 610.160: VIOLATION TO BE PROSECUTED AS TRESPASS

Any person violating any part of this Chapter shall have committed a trespass on such property and shall be prosecuted under the general trespass ordinance of the City. The penalty for such violation shall be the same as for any other trespass.

(Comment: Earlier versions of this ordinance had a specific penalty for violations contained in it. I prefer to emphasize that the City is not imposing additional obligations on peddlers, solicitors and canvassers ... merely providing guidance about what will not be prosecuted as trespass. Do what your lawyer says!)

At such hearing evidence will be received for the purpose of determining whether or not such permit shall be suspended or revoked or whether the permit may be retained.

B. Permittee shall comply with all reasonable rules and regulations which have been or may be promulgated by the St. Louis County Department of Community Health and Medical Care pertaining
